LOCATION: San Domenico is an independent co-educational (pre-K through Grade 12) day and boarding school located on 200 hectares in San Anselmo, California. Founded in 1850, it is California's first independent school. On campus are state-of-the-art academic facilities, a music conservatory, riding stables, swimming pool, gymnasium, an organic garden, 2,358 solar panels, and six tennis courts. San Anselmo is located in Marin County, eight kilometers from Central San Rafael and 26 kilometers north from downtown San Francisco. From Marin County, the beautiful Napa and Sonoma counties as well as the Northern California coastline and beaches are within a 50-minute drive.

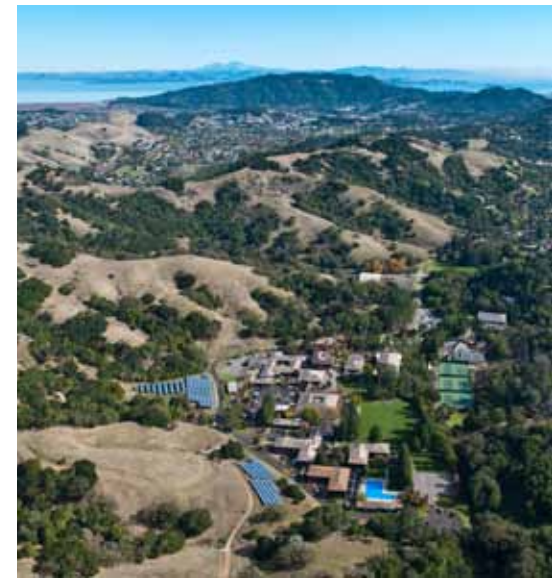

PROGRAM OVERVIEW: Students attending the **ELS + Nike Sports Camp** at San Domenico will have the unique opportunity to select from Nike basketball, tennis, volleyball or soccer training while also including ten weekly lessons (each lesson is 50 minutes) of English language training which is applicable to the sporting environment. The English lessons will be conversational in nature and run in the afternoons Monday – Thursday. The camp program is designed for international students ages 9 to 15 who are interested in a Nike-caliber-sports-training-program combined with general English training from ELS Language Centers at a top California location. They also get the added benefit of enjoying a fun, dynamic summer program which incorporates visits to local sites in Northern California, including tours exploring San Francisco and nearby Napa/Sonoma counties, as well as fun activities experiencing local theme parks.

The combined ELS/Nike Sport program is specifically designed for all sport and English skill levels. The goal is to provide a combination of practical conversational and sports-related English skills with experiential learning about the USA organized sporting system. Students have the opportunity to “play hard” in the sport of their choice while learning about tactics, strategies and experiencing the greater cultural opportunities in the California area.
