

NIKE SPORTS CAMPS

Where Serious Training Meets Serious Fun!

Program Location: The Lawrenceville School,
2500 Main Street, Lawrenceville, NJ 08648

Program Format: Students can customize an ELS language and Nike sport program into a three, four or five-week program.

Ages: 14-18

Location Overview:

The Lawrenceville School, which is a prestigious, private boarding school about four miles south of Princeton University and an hour outside of New York City, was ranked 14th by Forbes in 2010 as one of America's Best Prep Schools. ELS and Nike Sports Camps have been provided full residential, classroom and office facilities on the magnificent campus, now registered as a National Historic landmark and designed by landscape architect Frederick Law Olmstead (who also designed Central Park). The campus boasts a beautiful tennis facility (with both indoor and outdoor courts), as well as pristine baseball and soccer fields, and a six-lane swimming pool.

Language Program Overview:

Students attending the University Preparation Camp at The Lawrenceville School will have 15 lessons (each lesson is 50-minutes) per week in the mornings of formal English language training with an additional five 50-minute expansion activities following the morning lessons. This camp program is designed for student ages 14 to 18 who are interested in a slightly more serious camp-style program at a top boarding school while still enjoying their summer, having fun, meeting new friends from around the world and experiencing a bit of adventure.

The program is specifically designed for intermediate to advanced level students. The goal is to provide a combination of practical English skills, experiential learning about the United States university system and skills needed to be successful in an American university through in class subject matter and while on tours to area universities. Students are taken on several university visits throughout the 3-week program, such as Princeton University and St. Joseph's University in Philadelphia.

The visits are accompanied by ELS instructors who have designed classroom lessons around the day's visit and will include a tour and meeting with admissions counselors. These university visits allow students the first-hand experience of what it could be like to attend university in the United States, learn about the admissions process and gain insight and understanding in how to select the best university to meet their needs and academic goals.

Sports Program Overview:

The Lawrenceville School currently hosts both Nike Tennis and Nike Jr. Golf Camps each summer. Our youth summer tennis and golf camps combine technical instruction and drilling from a top notch coaching staff, supervised match/course play, and a variety of evening social activities. Come work hard and make friends along the way. Your days will be filled with learning and fun!

Because this is a combined language and sport program, ELS and Nike camp staff will oversee camper transition between the language and sport programs. Campers will do two or three weeks of language camp first, followed by a Nike Sports camp. All Nike camps check-in mid-day on the Sunday after their language program concludes. Language start dates are June 29 and July 6. With a 3-week language and sport program, campers would arrive on June 29 or July 6 and do 2 weeks of language, followed by one week of Nike tennis or Nike golf camp. More weeks of sports can be added based on your preference. However, all campers must start with a minimum of 2 weeks of a language program.

After getting settled in and meeting fellow campers and the camp staff, campers will be evaluated by camp staff and put

into skill groups based on age/ability. Each session will include 30 hours of Nike Tennis and/or Golf instruction and competitive play, and conclude with a graduation ceremony on the last day of camp. Campers participating in the Nike Tennis Program will play at the outdoor tennis courts on campus, including the three indoor courts in the Lavino Field House.

Nike Golf Campers will play at the Lawrenceville Golf Course, conveniently located on campus and directly across from the dormitories. This superb, nine-hole, par 35 scenic golf course also features a spacious driving range, unique short game area, putting green and chipping green. In addition to the daily instruction at the Lawrenceville School, campers are treated to a day-long outing and special Nike camp tournament at the historic and luxurious Skytop Lodge. The 5,500 acre resort, situated in the heart of the Poconos, boasts an 18-hole championship golf course which recently received 4-1/2 stars from Golf Digest.

Campers choosing to stay for multiple sessions will participate in the ELS weekend excursion programs and be supervised by camp staff.

22:00-23:00	QUIET TIME						

Expansion Activities:

ELS strives to provide a well-rounded academic experience during the University Preparation Program. Our custom-designed expansion activities allow students to be removed from the formality of a classroom setting and placed in a new setting where they are involved within an activity that promotes and allows for communication and use of English in a free and relaxed format. All expansion activities are led by our qualified and trained instructors. Students are allowed to select from topics they find interesting and often feel these "mini-courses" are very useful in developing their confidence and speaking ability. Topics include: American Film, American Idioms, American Culture, Life on American University Campuses, Student Newspaper, Student Yearbook, Theater & Movement, and Photography.

Included Items:

All Nike/ELS camp programs are all-inclusive and there are no hidden charges or fees. In addition to our all-inclusive programs, we include additional features such as: an official ELS Certificate of Attendance, ELS Notebook, course books, Nike camp T-shirt, beach towel, USB wristband and tote bag. Additionally, roundtrip airport transportation services are also fully included.
