NIKE Sports Camps

Located on America's finest colleges, resorts, and prep schools

Welcome to Nike Sports Camps.

Founded in 1975, Nike Sports Camps is the largest sport camp network in the US with over 400 locations nationwide.

We offer all-inclusive week long or multi-week summer sport camps guaranteed to enhance camper skills, self-confidence, and meet new American friends!

Located on some of America's finest colleges, resorts and prep schools, including Stanford University, MIT, Georgetown University, Northwestern University, and The Lawrenceville School, campers have access to the best training facilities, the most respected US coaches, and the added educational benefit of ESL/SAT and college tour programs.

By teaming with Nike, the world's best known sport brand, you can offer a sport and English immersion product that is both turn-key and profitable and guaranteed to deliver *happy campers!*

Why Nike Sports Camps?

We Are Flexible!

We offer day and overnight weekly or multi-week sports camps in the US, near international airport hubs. With over 8 different types of Nike sport camps, 400 locations and literally hundred of weekly sessions throughout the summer of 2011, it's easy to find a location that best fits your client's interest and tour schedule.

Turnkey American Immersion.

Except for getting your clients to our camp locations, you won't have to do a thing. We take care of everything from daily sport instruction, double occupancy housing, all meals, and full 24 hour camper supervision by experienced staff. Campers train 4-6 hours per day, enjoy fun evening and weekend activities and get to meet new American friends who share a passion for their sport.

Our historic and scenic college locations also let us offer ESL and college tours for those who are interested, giving international campers the chance to live the life of an American college student – if only for one week!

Sport Training Tailored to Camper Age and Skill Level.

In order to deliver the best training experience, we evaluate each camper upon arrival at camp and place them in a program that best suits their experience and age. All locations offer general skills programs designed to help players 8-18 develop athletically. Campers will master fundamental skills, experience plenty of game competition, make friends and fall in love with their sport all over again! In some locations we also offer more specialized and intensive training for older (ages 12-18) and more advanced players (ages 9-18.)

Proven And Respected Company You Can Trust.

Nike Sport Camps has hosted over 550,000 happy campers and many more thousands of international campers over the years. Our experienced and passionate coaches are among the most respected and accomplished coaches in the United States and provide the perfect blend of serious training and absolute fun!

A Travel Package That Works For You.
