## What Defines Nike Tennis Camps?

### Prestigious Coaches & Locations

With nationally recognized coaches directing our camps at some of the most prestigious colleges and tennis clubs in America, we strive to be the best in all areas. Our directors take enormous pride in the quality of the camps and personally hire and train their camp staff to ensure that all programs are of the highest caliber.

### Instruction for All Skill Levels

Campers are evaluated and grouped by age and ability. Our teaching approach, geared towards beginner through advanced/ranked players, uses a combination of drills, games and match play in a spirited team format. In addition to fundamentals, we teach strategy, sportsmanship, mental toughness, tournament play and goal setting. If a camper has been working with a coach at home, we build on that foundation rather than introduce major changes.

### Fun, Off-Court Activities

We offer movies, swimming, field games, talent shows, barbecues, camp dances, and trips to local beaches, lakes and other nearby recreational areas. Some camps may collect an additional fee to cover off-campus activities. Every session ends with an awards ceremony to which friends and family are invited.

### Supervision & Safety

Campers are supervised at all times. The staff lives in the dormitories with the overnight campers and participates in evening activities. **Drugs, alcohol and smoking are strictly prohibited and constitute grounds for immediate dismissal from camp. Parents receive no refund.** Nike Tennis Camp staff cannot transport campers to or from the airport, but we are happy to assist parents in arranging for smooth and safe travel.

### Dartfish Video Stroke Analysis

Dartfish video stroke analysis will be available at participating camps. An invaluable learning tool and an incredible memento of your Nike Tennis Camp experience. See website for more information.

### Tennis + Language Programs for International Campers

Nike Tennis Camps and ELS, a leading provider of English Language programs in the U.S., are pleased to continue offering Nike Tennis + Language Camps for international campers at several locations. Visit [USSportsCamps.com/International/Nike](http://USSportsCamps.com/International/Nike)

# Junior Programs for Every Skill Level!

All camps are geared towards all ability levels unless otherwise specified. Campers are evaluated and grouped according to both age and ability. All camps are open to any and all registrants, limited only by age and number of campers.

## All Skill Levels (ages 9-18)

Geared towards all ability levels. Includes concentrated work to develop the proper fundamentals and includes a mix of drilling and match play.

## Tournament Training (ages 9-18)

Geared towards (USTA) tournament level and ranked players looking to improve tournament results, learn winning strategies and increase mental toughness. Includes additional focus on match play, strategy, conditioning and tournament preparation.

## High School (ages 13-18)

Geared towards high school players (and incoming freshmen) with aspirations of making the high school team, moving up the ladder or improving tournament results. Includes additional focus on match play, strategy and conditioning. Similar to Tournament Training sessions, but limited to ages 13-18 only and does not presume that all players participate in (USTA) tournaments.

## 10 & Under Tennis (ages 5-10)

This is an exciting new way kids 10 and under are learning to play tennis as well as compete. The courts are smaller and balls are low-compression so they are easier to hit, allowing kids to get to the ball and develop optimal swing patterns.

*Note: This program is optional and younger campers may opt to play regular tennis on the full courts.*

## Enroll Today or Ask a Question!

## NIKE ADULT TENNIS CAMPS

Nike Tennis Camps are not just for kids! Every year hundreds of adults attend one of our Nike Adult Tennis Camps, designed for players ages 18 and older of all skill levels. Our goal is to increase your knowledge of the game and move you to the next level without forcing you to make radical changes. We tailor programs for men and women to address your specific needs with our low student/staff ratio. You receive daily on-court instruction in singles and doubles play from America's top coaches and tennis professionals.
